THE ELECTIONS.

The returns have begun to pour in from every quarter. Harrison maj. 3334

It will be seen that if the remaining counties to be heard from vote as they did last year, the majority for Harrison will be 3,300. But if the Whig gain in the remaining counties to be heard from, and in proportion to those heard from, there can be no doubt the majority will reach 3,500.

INDIANA AND KENTUCKY.

The returns from these States exhibit increased majorities for Harrison over the State elections.—They are so perfectly O. K. that we deem it unnecessary to clutter our columns with the details.

ILLINOIS COMING.

The St. Louis Republican of last Thursday gives returns from 29 counties in Illinois. Harrison, in these counties, is 2,500 ahead.

MIDDLE TENNESSEE.

We give below the returns as complete and as far as we have received them. The overthrow of Loco Focoism in Tennessee is tremendous and overwhelming.

Harrison's majority in Middle Tennessee thus far 2,027. The counties to be heard from gave a Loco Foco majority in 1839 of 940. That majority it is confidently expected will be reduced 1000 votes, which would leave a Loco Foco majority of about 400 votes ahead in Middle Tennessee. To which add 9,000 for East Tennessee and the Western District and we have 10,000 majority for Harrison in the State. And that is about what it will be!

TWELVE THOUSAND!

Instead of ten thousand, Harrison's majority in Tennessee will be about TWELVE THOUSAND! Considering the circumstances under which this majority has been obtained—Gen. Jackson himself taking the field in person and leading the enemy to the charge—we submit it to our sister States if Tennessee has not fairly entitled herself to this flag.

The above results are as follows. Harrison's gain on the vote of 1836, 9,557. He was then defeated by 4,364. Hence he has now overcome that, and has 5,193 to go upon for the remaining counties.—They are 22 in number, and in 1836, gave 8,220 majority. Harrison's majority now is 13,705.

An endorsement by the editor states Harrison's net gain in these counties over the whig vote given in the state elections on the 13th ult. at 7,188.

In the same paper we have returns from 9 counties in the Old Dominion, which we annex:

VIRGINIA ELECTION.

We prefer to compare the Virginia returns with those of the Presidential election of 1836 because, at no election since have all the counties been contested. In 1836, Van Buren's official majority in Virginia was 6,832. Hence Gen. Harrison must now overcome that in order to obtain the electoral votes of that State. We shall give, as heretofore, only majorities, because easiest understood.

The frigates Macedonia and sloop of war Concord left New York on the 17th instant, and anchored in Lynnhaven Bay on the 22nd. Both the Macedonian and Concord have since come up and anchored off the Naval Hospital.

These ships are a part of the West India Squadron under the command of Capt. Jesse WILKERSON, who will hoist his broad pennant on board the Macedonian, and sail in a few days for the West India Station. Captain SHURRICK, now in command, will remain and take charge of the Gosport Navy Yard, to the command of which he has been appointed in the place of Commodore WARRINGTON, who takes his seat at the Navy Board.

We learn that Commander C. K. SPRINGLING has been detached from the United States Squadron at the station, and received orders for the Navy Yard at Washington.

We also learn that Lieutenant L. Saunders has been ordered to the Macedonian as her First Lieutenant.

BOSTON, OCTOBER 24.

NAVAL.—We understand that Commodore JOHN DOWNES has been released from the command of the East India Squadron, if two ships can be called a squadron, in consequence of ill health, and that he will be succeeded by Capt. THOMAS AP CATESBY JONES.

Commodore JOHN D. SLOAT has been ordered to the command of the naval station at Portsmouth, in the place of Commodore CRANE, who retires on leave of absence.

The Jews.—The numbers who entered Palestine from the wilderness were evidently not much more than three millions, and their census, according to the German statist, who were really considered to be exact, is now nearly the same as that of the people under Moses. They are thus distributed: In Europe, 1,916,000, of which about 658,000 are in Poland and Russia, and 453,000 in Austria. In Asia, 738,000, of which 300,000 are in Asiatic Turkey. In Africa, 564,000, of which 300,000 are in Morocco. In America North and South 5,700. If we add to these about 15,000 Samaritans, the calculation in round numbers will be about 3,180,000. Our Subscribers and advertising Patrons, are informed very respectfully, that we should be extremely glad if they would put it in our power to collect at least, enough funds to procure ink and paper.—We shall call upon our Marshall County friends next week. If we are successful we have it in contemplation to enlarge our paper.

RESIGNATION.

Maj. Thomas Mull has resigned his seat in the Legislature from this county—deeming the late result as a sufficient instruction, it is said two others will follow suit in a few days.—The Vanocrats hold a meeting on this day (Saturday) to receive the report of a committee appointed to inquire into the propriety of all resigning, in other words, to put off the day of resignation until it is known how the state has cast her vote in the Presidential Election.

HOLLY SPRINGS, NOV. 9 1840.
To his Excellency, A. G. McNutt Governor of the State of Mississippi.

DEAR SIR.—I herewith tender to you my resignation as a member of the Legislature of this State, from the County of Marshall, to take effect from the date hereof.

You will please accept the same, and issue writs of election to fill the vacancy.

Respectfully
Yours &c.
THOMAS MULL.

"STILL VAULTING"

The Editor of the Southern Journal states that "Duncan is re-elected to Congress from the district in which Gen. Harrison lives, says that Fairfield is elected Governor of Maine,—and that from 30 to 35 persons who voted at the late election in Lawrence County live in the adjoining Counties.—The Editor does not read the papers, or he has the effrontery of the devil.—The fact is Duncan has been defeated, so has Fairfield, and the assertion that any person from an adjoining County voted for the Whig Candidate is we suspect, equally untrue.—This same paper endeavored to create the impression some time since that the Whigs instigated the insurrection in Louisiana.

WANTED IMMEDIATELY.

One hundred and ninety-two candidates to run on the Whig Ticket, to fill the vacancy occasioned by the expected resignation of the Four Loco Foco Representatives from this county.—claims upon the whig party will not be examined—so an aspirant has the name of whig it is all that will be necessary to insure the honors. Some we know who changed on the second day of the election, some a month and so on, but that is all a mere circumstance—so don't for the sake of the high stand which the Empire County has taken, be backward in this matter, take our advice and "stump it" while the moments are propitious.

NAVAL INTELLIGENCE

This extraordinary fixedness in the midst of almost universal increase is doubtless not without a reason. May we not nat-

rally conceive, that a people thus preserved without advance or retrocession, without a nation, yet united as no nation ever was before or since—has not been appointed for this extraordinary contradiction to the common laws of society, and even the common progress of nature, without a cause, and that cause one of divine grandeur.
